Profile detail

Model TFN		
Item number	Description	Standard lengths*
10115-11	TFN	1100 mm
10115-22	TFN	2200 mm
10115-27	TFN	2750 mm
10115-33	TFN	3300 mm
10115-55	TFN	5500 mm

*Special lengths on request.

Suitable for solid and dry construction

This profile system is fitted to the frame linings prior to installing a finished timber door frame, to create the perfect shadow gap outline, and eliminate the need for architraves. The snap-in mesh ensures no plaster cracks between wall and frame. Suits standard or floor-to-ceiling doors.

Recommendations

On the basis of detailed tests and long-term experiences our technical office has prepared a recommendation-list regarding the selection of hinges, closing panels and seals. These lists are practical guidelines and non-exhaustive.

RECOMMENDATION Suitable hinges
